AAA

Canonical name	AAA
Date of creation	2013-03-22 17:08:40
Last modified on	2013-03-22 17:08:40
Owner	Wkbj79 (1863)
Last modified by	Wkbj79 (1863)
Numerical id	7
Author	Wkbj79 (1863)
Entry type	Theorem
Classification	msc 51M10
Synonym	AAA theorem

In both hyperbolic geometry and spherical geometry, the AAA theorem holds:

Theorem 1. *If two triangles have all three pairs of corresponding angles congruent, then the triangles are congruent.*

Because of this theorem, we have that, in hyperbolic geometry and spherical geometry, similar triangles are congruent.
